

 **FAIRLIGHT**

EU PRICING SHEET

Pricing effective from 26th January 2021

**FIT
FUNCTION
FORM**

EU TAXES AND CUSTOMS DUTIES

All prices exclude VAT.

Currently our EU pricing is set at 10% higher than UK or Rest of World pricing. This is a reflection of the extra costs we're experiencing administering sales into the EU, and the risks associated with EU countries accidentally levying duty on Fairlight bicycles. Any duty incurred by the customer on receipt of a Fairlight bicycle will be refunded in full by Fairlight. All orders secured with a deposit are always honoured at the agreed price at time of order.

When the bike has shipped, DHL (our shipping partner) will send you an Import Invoice for Customs Duty, VAT and Fees. You will need to pay this in order to release and ship your Fairlight.

- Customs Duty should be Zero as all Fairlight bikes qualify as EU/UK built under the trading agreement between the UK and EU.**
- VAT is dependent on your country. It ranges from 19% in Germany to 27% in Hungary.
- Fees: DHL charge a 'Disbursement Fee' to handle the customs arrangements. This differs with country but is typically between 10 and 15 Euros.

** If the DHL Import Invoice includes Duty, please do not pay. Contact us immediately. This is a mistake on the part of the customs agents in your country.

Worked example:

Example Calculation of overall cost for customer with country 21% VAT Rate:

Bicycle Cost (excluding VAT) .e.g. Strael 2.0 105 - £2153.25

Shipping - £130

Total Charged by Fairlight - **£2,283.25**

Customs/Duty Costs - Recovered by DHL

Duty = Zero

VAT @21% $21\% \times £2153.25 = £452.18$

Disbursement Fee = approx £15

Total Duty, VAT & Fees = **£467.18**

Overall Total Including Shipping = **£2750.43**

2021 SUPPLY CHAIN

Due to the CoronaVirus pandemic, the bicycle industry is experiencing unprecedented demand for products. Lead times for all parts are extremely long and in light of this we have planned ahead as far as possible to ensure we have a good supply of product through 2021.

Possible spec updates

In the event of unforeseen delays, or supply chain issues outside of our control, we reserve the right to make spec changes to alternative components of the same value. We will of course do our best to inform any affected customers of these changes.
