

 **FAIRLIGHT**

SECAN 2.5

EU, USA & REST OF THE WORLD

Prices effective from August 24th 2021

**FIT
FUNCTION
FORM**

PRICING - EU, USA & REST OF THE WORLD

All prices exclude VAT.

NON EU, USA & INTERNATIONAL - TAXES & CUSTOMS DUTIES

Customers will pay excluding UK VAT @ 20%.

Therefore all the prices in this document exclude VAT.

All International customers will then be subject to local taxes and import duties when the goods arrive into your respective countries.

Our shipping partner for international shipments is DHL and they will contact you directly once the consignment arrives at customs in your country.

EU – TAXES & CUSTOMS DUTIES

EU Duty – The Secan 2.5 is made in Taiwan (full bikes are assembled in the UK) so therefore does not fall within the UK/EU free trade agreement. The Secan 2.5 incurs duty at the following rates: frameset = 4.0%, full builds = 14.0%

When the bike has shipped, DHL (our shipping partner) will send you an Import Invoice for Customs Duty, VAT and Fees. You will need to pay this in order to release and ship your Fairlight.

- Customs Duty @ 4% for framesets and 14% for full bikes.
- VAT is dependent on your country. It ranges from 19% in Germany to 27% in Hungary.
- Fees: DHL charge a 'Disbursement Fee' to handle the customs arrangements. This differs with country but is typically between 10 and 15 Euros.

Worked example:

Example Calculation of overall cost for customer with country 21% VAT Rate:

Bicycle Cost (excluding VAT) .e.g. Strael frameset – £1,124.17

Shipping – £55

Total Charged by Fairlight – **£1,179.17**

Customs/Duty Costs – Recovered by DHL

Duty @4% = £44.97

VAT @21% = £245.52

Disbursement Fee = approx £15

Total Duty, VAT & Fees = **£305.49**

Overall Total Including Shipping = **£1,484.66**

2021-22 SUPPLY CHAIN

Due to the CoronaVirus pandemic, the bicycle industry is experiencing unprecedented demand for products. Lead times for all parts are extremely long and in light of this we have planned ahead as far as possible to ensure we have a good supply of product through 2021/22.

Possible spec updates

In the event of unforeseen delays, or supply chain issues outside of our control, we reserve the right to make spec changes to alternative components of the same value. We will of course do our best to inform any affected customers of these changes.
