

A dark, atmospheric landscape featuring a winding dirt road that curves through a field. A utility pole stands prominently on the right side of the frame, with power lines stretching across the scene. The overall mood is somber and industrial.

CURATED BUILDS FOR THE EU.
ZERO DUTY - GUARANTEED.

 **FAIRLIGHT**

DUTY - EU

FULL BIKES - 0% DUTY. GUARANTEED.

Fairlight is about making high quality design attainable. Nobody wants to pay 14% duty on their bike. So we've created a range of custom builds celebrating UK and EU components. The bikes in this pricelist save the 14% duty and all qualify for 0% duty.

VAT - EU

Customers will pay excluding UK VAT @ 20%.

Therefore all the prices in this document exclude VAT.

You will still have to pay the VAT of your own country of course. Nobody escapes that! VAT is dependent on your country. It ranges from 19% in Germany to 27% in Hungary.

Our shipping partner for international shipments is DHL and they will contact you directly once the consignment arrives at customs in your country.
